Chartwell Named to Pittsburgh Fast 50 for Sixth Consecutive Year

Pittsburgh Business Times Fast 50 recognizes fastest-growing companies based on revenue growth.

Pittsburgh, PA, August 31, 2022—[Chartwell Pennsylvania, LP](#), one of the largest and most clinically advanced health-system based providers of home infusion, specialty pharmacy, and enteral nutrition in the nation and part of [CarepathRx](#), was recognized on the [Pittsburgh Business Times Fast 50](#) list for the sixth consecutive year. The PBT Fast 50 list honors the fastest-growing, privately held companies in the Pittsburgh region, based on revenue growth between 2019 - 2022. Chartwell was ranked sixth amongst companies with revenue over \$100 million.

As a staple of the PBT Fast 50 list, Chartwell underwent exceptional growth despite the COVID-19 pandemic that impacted most every aspect of healthcare. CarepathRx Specialty Pharmacy & Infusion Solutions President Kathleen Patrick, who oversees the Chartwell management services organization, said the honor remains a testament to Chartwell's resolute employees.

“Despite the unique challenges presented across the healthcare continuum, Chartwell rose to the occasion to not only provide uninterrupted patient service but meet the demand of a growing patient population with internal growth and expanded services,” said Patrick. “I am proud to accept this honor on behalf of our more than 500 highly-skilled, devoted clinical and support professionals who are committed to providing the highest level of service possible.”
